EXPERIENCE

PlannrAI

Co-Founder & Developer

Boston, MA
January 2026 – Present

- Built and developed the core application, contributing directly to product architecture and technical implementation
- Leading all marketing and sales efforts, including go-to-market strategy, user acquisition, and brand positioning
- Launched beta testing with 50+ active users, with indicated interest from approximately 100 additional students ahead of wider release

Skillmatics (Gouda Games)

Marketing & Strategy Intern

Mumbai, India
May 2026 – July 2026

- Led a retail distribution initiative to establish Gouda Games' first physical presence across stores in Mumbai, identifying 20+ optimal retail locations and developing product placement and pricing strategies across multiple store formats
- Represented Gouda Games at the All You Can Mumbai event, driving direct sales and moving 100+ units on the ground
- Conducted market research for two new product launches and prepared and presented GTM documentation to the Founder and CPO
- Contributed to a record-breaking sales day for the brand — 301 units sold in a single day, the highest in the company's history

Celona Inc.

International Business Intern

Bay Area, CA
April 2024 – June 2024

- Joined the international business department ahead of the company's widespread global expansion, conducting primary market research across 6 target markets: Mexico, Japan, Saudi Arabia, Turkey, the UK, and Malaysia
- Synthesized competitive, regulatory, and demand data into a comprehensive foreign-market analysis presentation delivered to the CEO and 20+ people in leadership positions across international business and marketing teams

Scorpio India

Intern (Part-Time)

Mumbai, India
July 2024

- Managed payment negotiations with 3 major vessel clients, issuing 2 legal notices and accelerating claim resolution by 7+ days while preserving long-term client relationships and future shipping orders

Scholastic India

HR Intern (Part-Time, School Partnership)

India
2023 – 2024

- Partnered with HR leadership to coordinate a major book launch event attended by over 1,000 guests, managing logistics, vendor coordination, and on-the-day execution

ACTIVITIES

Football (Soccer)

Athlete

India
2023 – 2025

- Competed in a national-level tournament in India, representing the club at the highest competitive tiers in the country
- Led club team to a third-place finish in the state league, coordinating tactics and player development

Asha Foundation

Volunteer Educator

India
2022 – 2024

- Taught 50+ underprivileged children over a two-year period, delivering structured lessons to improve foundational academic skills and access to education
- Collaborated with NGO leadership to develop lesson plans tailored to students at varying ability levels
